Reinsurance Year would equal Commodity Year minus one or Commodity Year minus two.		1) For Pecans, "0020", Yield year "10" must equal Commodity Year minus 1 or Commodity Year minus 2 2) Each Yield Year must be 1 less than the Yield year in the next higher occurrence of yield data. No years may be skipped. The validation is ended when all 10 occurrences are validated, a empty Yield Type Code is reported or an error is flagged. 3) Map Area is not required and must be zero or spaces. 4) Yield History P15A with Yield Type Code equal "G" or "V" combinations can only be reported in the 4 most recent years. 5) Perennial Special Case must equal spaces
Pistachios	0470	If Yield Type Code equals "CT", Actual Organic Certified Yield in a conventional database is used when a producer is returning to a conventional practice after having farmed under organic practices. If Yield Type Code equals "GT", Actual Conventional Yield is reduced by 20% for use in a producers 4 year database for Organic Transitional Acreage when the year was farmed under a conventional practice. If Yield Type Code equals "MR", producer failed to provide production reports for the most recent consecutive year; must be contained in YY10. Actual Yield must equal zero. If "MR" is contained in the database, no Approved Yield calculation should be done and Yield limitation flag must equal 1 and Approved Yield must be equal to Previous Approved Yield.	A, BF, G, V, CT, GT, MR		2012		For Pistachios, the average of the yields reported for the years in the unit's APH database are calculated using the most recent, largest even number of yields if there fewer than 10 yields as follows: If the database has 10 yields Use all 10 years If the database has 9 or 8 yields Use most recent 8, If the database has 7 or 6 yields Use most recent 6, If the database has 5 or 4 yields Use most recent 4.
Popcorn	00043						1) Allowable Gleaned Acreage Codes equal "HG",, "UG" 2) Allowable Stage Codes equal; "UH", "H","P", "R", "NR", "P2", "PF", "PT" 3) Valid Yield Limitation Codes for 2012 equal "01", "03", "04", "05", "07", "08", "09", "10", "11", "12", "13" 4) For 2012 Insurance Plan Codes changed from "90" to "01", "02" and "03"
