The season average price is to be utilized in accordance with Section 11 (Settlement of Claim) of the Pilot Avocado Crop Provisions (2002-0019) for purposes of settling claims related to the 2009 CY.

This is the final announcement for the revenue-based pilot program (2002-0019), which has been supplanted by an actual production history-based pilot program (2010-0019) for the 2010 CY.
