INFORMATIONAL MEMORANDUM: PM-11-050

TO: All Approved Insurance Providers
All Risk Management Agency Field Offices
All Other Interested Parties

FROM: Tim B. Witt /s/ Tim B. Witt
Deputy Administrator

SUBJECT: 2011 Crop Year Group Risk Plan Payment Landings for Oysters

In accordance with Section 6 of the Group Risk Plan (GRP) Oyster Policy Basic Provisions, payment landings have been approved for GRP Oysters for the 2011 crop year. These payment landings will be available by close of business today on the Risk Management Agency website at: www.rma.usda.gov/data/grpfinal/.

The GRP-Oyster plan of insurance protects oyster producers from naturally occurring events, such as flood, drought and hurricane. Because of the effects of the oil spill resulting from the BP Deepwater Horizon event there were no identifiable insurable causes of loss; therefore, the Payment Landings are set equal to the Expected County Landings for the 2011 crop year.
