

2011 COLORADO ACTUARIAL DOCUMENTS CHANGES

8/31 FILING

EXPANSION: None

DELETIONS: **AGR-Lite** deleted from Broomfield County.

DATES: No Change

STATEMENTS: A new statement for **Adjusted Gross Revenue-Lite (AGR-Lite)** has been added to the Special Provisions and reads, "In accordance with section 27(a), the statute authorizing the Noninsured Crop Disaster Assistance Program (NAP) states that if the producer is eligible to receive benefits under NAP and from any other USDA program for the same loss, the producer: (1) cannot receive benefits from both programs; and (2) must elect which benefit they wish to receive." The rate map statement for **Apples** and **Peaches** has been modified to reflect changes to ITM. The organic farming practice and organic rate factor statements have been removed for **Apples, Grapes, and Peaches**. The organic APH (database) statement has been modified for **all crops** in all counties as new practices have been created for organics. For **Grapes**, the statement that classified producers as having a classification of 001 has been removed.

PRACTICES/TYPES: Organic (certified) and Organic (transitional) are new practices for **Apples, Grapes, and Peaches**.

MAPS: Refer to attached Summary of Change Log.

TRANSITIONAL YIELDS: No changes.

REFERENCE RATES AND YIELDS: No changes.

OTHER: The commodity and commodity codes for **AGR-Lite** are now listed under the Commodity tab in the Actuarial Information Browser. The base county rates for the **AGR-Lite** commodities are now listed under the Rates tab in the Actuarial Information Browser.

NOTE: *This is not an official document. For all official changes, refer to the 2011 Crop Year State Summary of Changes that will be issued by the Actuarial Division.*
