Subject: Vomitoxin in Wheat – Grain Testing Facilities

215 Dean A. McGee  
Ave, Suite 342  
Oklahoma City  
Oklahoma 73102

**BACKGROUND**

Weather conditions this year have made vomitoxin a threat to this year's wheat crop in Oklahoma. High levels of vomitoxin may result in either a discount in price or requirement to destroy the grain altogether.

**ACTION**

Approved Insurance Provider's (AIP) have requested a list of grain testing facilities for damaged grain. Below is a list of grain testing facilities. This list is not complete and is provided as a guide to assist the AIP in locating grain testing facilities.

A&A Laboratories, Inc.  
1100 Backus Avenue  
Springdale, AR 72764  
(800) 962-7120

Enid Grain Inspection Co.  
P.O. Box 229  
Enid, OK 73702-0229  
(580) 233-1121

Farwell Grain Inspection, Inc.  
P.O. Box 488  
Farwell, TX 79325-04886  
(806) 481-9052

Additional information concerning vomitoxin and other grain fungal diseases may be found at: [www.gipsa.usda.gov/fgis/handbook/don\\_inspec.aspx](http://www.gipsa.usda.gov/fgis/handbook/don_inspec.aspx).

If you have any questions or concerns please contact the Oklahoma City Regional Office, 215 Dean A. McGee Avenue, Suite 342, Oklahoma City, OK 73102 or call (405) 879-2700.
