| 7                    |               |                     |                   |                  |                   |               |                |             | The P13 record allows one and only one Base record. A Base P13 record is identified by the Revised Report Code, Peak Commencement Date and Peak Termination Date equal to null.   |
| 8                    |               |                     |                   |                  |                   |               |                |             | When determining the Guarantee Adjustment, PASS will reference the SPOI Guarantee Adjustment YTD ICE, "D00268" first. If a match for the submitted data is found in the D00268 ICE data file, that Guarantee Adjustment will be applied to the submitted data. If no match for the submitted data is found in the SPOI ICE file, PASS will look at the PASS Guarantee Adjustment YTD ICE, "D00068" for a Guarantee Adjustment that matches the submitted data. When a match is located that Guarantee Adjustment amount will be used. |
