A. General
The following statements are general statements and pertain to information collected on company forms.

1. False Claim Statement
I certify that the information that I have furnished on this form is complete and accurate. I understand that any false or inaccurate information on this form may result in the imposition of sanctions outlined in my policy and administrative, civil, and criminal sanctions under 18 U.S.C. 1001, 1006 and 1014, 7 U.S.C. 1515, 31 U.S.C. 3729 and 3730 and any other applicable federal statutes.

2. Certification Statement
I certify that the information on this application is complete and accurate; that none of the reasons for rejection in items 1 through 3 of the “Conditions of Acceptance” (See B. Application Statements, 3. Conditions of Acceptance) apply; and that I am aware of and understand the requirements of the Collection of Information and Data (Privacy Act), as well as all other provisions contained on this application.

   (Applicant's signature)   (Date)   (Agent's signature)   (Date)

3. Collection of Information and Data (Privacy Act)
To the extent that the information requested herein relates to your individual capacity as opposed to your business capacity, the following statements are made in accordance with the Privacy Act of 1974, as amended (5 U.S.C. 552a). The authority for requesting information to be furnished on this form is the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.) (Act) and the Federal crop insurance regulations contained in 7 C.F.R. chapter IV.

Collection of the social security account number (SSN) or the employer identification number (EIN) is authorized by section 506 of the Act and is required as a condition of eligibility for participation in the Federal crop insurance program. The primary use of the SSN or EIN is to correctly identify you, and any other person with an interest in you or your entity of 10 percent or more, as a policyholder within the systems maintained by the Federal Crop Insurance Corporation (FCIC). Furnishing the SSN or EIN is voluntary; however, failure to furnish that number will result in denial of program participation and benefits.

Your policy also specifies other information that must be provided. The principle purposes of this information are to provide insurance; reinsurance; determine eligibility; determine the correct parties to the agreement; determine and collect premiums or other monetary amounts (including administrative fees and over payments); and pay benefits. The routine uses of this information include: (1) Referral to the appropriate agency, whether Federal, State, local or foreign including the Department of Justice, charged with the responsibility of investigating or prosecuting a violation of law, or of enforcing or implementing a statute, rule regulation or order issued pursuant thereto, of any record within this system when information available indicates a violation or potential violation of law, whether civil, criminal,
Collection of Information and Data (Privacy Act) (continued)

or regulatory in nature, and whether arising by general statute or particular program statute or by rule, regulation or order issued pursuant thereto; (2) Disclosure to a court, magistrate or administrative tribunal, or to opposing counsel in a proceeding before a court, magistrate or administrative tribunal, of any record within the system that constitutes evidence on that proceeding, or which is sought in the course of discovery, to the extent that FCIC determines that the records sought are relevant to the proceeding; (3) Disclosure to a congressional office in response to any inquiry from the congressional office made at the request of that individual; (4) Disclosure to Approved Insurance Providers (AIP) for any purpose relating to the sale, service, and administration of the Federal crop insurance program and the policies insured under the authority of the Act; (5) Disclosure to other Federal agencies and contractors, cooperators, and partners of FCIC for the purpose of conducting research, development, analyses, and evaluation into all aspects relating to new and existing crop insurance programs and other risk management tools; (6) Disclosure to contractors or other Federal agencies to conduct research and analysis to identify patterns, trends, anomalies, instances and relationships of AIP's, agents, loss adjusters and policyholders that may be indicative of fraud, waste, and abuse; (7) Disclosure to AIPs, contractors, and other applicable Federal agencies to determine whether information has been accurately provided to FCIC and the AIPs and to determine compliance with program requirements; and (8) Disclosure to AIPs, contractors, cooperators, partners of FCIC, and other Federal agencies for any purpose relating to the sale, service, administration, analysis and evaluation of the Federal crop insurance program.

Furnishing other information is also voluntary. However, failure to report the information specified in your policy may result in rejection of any claim for indemnity, replanting payment, or other benefit; ineligibility for insurance; a unilateral determination of any monetary amounts due; or any remedy provided in the policy.

4. Non-Discrimination Statement

It is the AIPs’ responsibility to ensure that standards, procedures, methods and instructions, as authorized by FCIC in the sale and service of crop insurance contracts, are implemented in a manner compliant with Title VI. The non-discrimination Statement must be included on any form the person signs or provided to the person on a separate form in which the person signs and a copy maintained by the AIP. Additionally, applicable AIP marketing materials must also include a non-discrimination statement. See DSSH para 503 for detailed information related to the statement and usage.

B. Application Statements

1. Application for Insurance Statement

Subject to the provisions of the Federal Crop Insurance Act, and the regulations issued under that Act, I hereby apply for insurance on the commodity as specified below for the effective year. I understand that the premium rates and insurance periods are on file and available for my inspection in my agent's office. I further understand that no insurance will be available on a commodity unless an application and target marketings form is completed and filed with my agent by the sales closing date, if applicable. I also further understand that, although insurance under this application is continuous from year to year, policy terms may change from crop year to crop year. These changes will be made by the contract change date.

2. Reinsurance Statement

This insurance policy is reinsured by the Federal Crop Insurance Corporation (FCIC) under the provisions of the Federal Crop Insurance Act, (7 U.S.C. 1501 et seq.) (Act). All provisions of the policy and rights and responsibilities of the parties are specifically subject to the Act and may not be waived or varied in any way by any agent or employee of FCIC or the insurance provider. In the event we cannot pay your loss, your claim will be settled in accordance with the provisions of this policy and paid by FCIC. No state guarantee fund will be liable for your loss.
Throughout this policy, “you” and “your” refer to the named insured shown on the application and “we,” “us,” and “our” refer to the insurance company providing insurance. Unless the context indicates otherwise, use of the plural form of a word includes the singular and use of the singular form of the word includes the plural.

3. **Conditions of Acceptance**

This application is accepted and insurance attaches in accordance with the policy unless (1) any material fact is omitted, concealed, or misrepresented in this application and endorsement or in the submission of this application; (2) you have failed to provide complete and accurate information required by this application; (3) the answer to any of the following questions is “yes.”
