FILING INSTRUCTIONS

This handbook is effective for the 2019 and succeeding crop years.
Modifications for MP:

Add the following to the end of this section as new section D:

D. Margin Protection Policies

(1) If the named insured of a MP policy dies, disappears, or is judicially declared incompetent, the policy will default to the spouse if all the following are met:

(a) The surviving spouse was included on the MP policy as having a SBI in the named insured;

(b) The surviving spouse has a share in the crop.

(c) The named insured’s share does not convert to an estate or is not otherwise legally transferred to a person other than a spouse.

(2) If any of these events occur prior to the cancellation date for the base policy and a base policy does not exist, the surviving spouse of the named insured on the MP policy can apply in their name for a base policy and be eligible for a premium credit.

(3) A surviving spouse who does not have a SBI in the named insured on the MP policy and who has a share in the crop may purchase a base policy for that share. However, this base policy cannot be linked to the MP policy since that policy is subject to the terms of section 2(g)(3) of the Basic Provisions and will not default to the surviving spouse.

In the case of all other persons, including a surviving spouse whose circumstances do not satisfy all the conditions stated in the first paragraph of subsection D(1), if the death, disappearance, or judicial declaration of incompetence occurred later than 30 days prior to the MP cancellation date but more than 30 days prior to the base policy cancellation date and a base policy exists, the base policy is automatically cancelled. No application for a base policy may be accepted because the MP policy continues in force subject to the terms of section 2(g)(3)(ii) of the Basic Provisions.
