Crop Insurance Deadline Nears in Alabama

Fresh Market Sweet Corn Growers Need to Make Insurance Decisions Soon

VALDOSTA, Ga., Jan. 28, 2016 - USDA's Risk Management Agency (RMA) reminds Alabama fresh market sweet corn growers the final date to apply for crop insurance coverage is February 15. Current policyholders who wish to make changes to their existing coverage also have until the February 15 sales closing date to do so.

Crop insurance provides protection against a loss in production due to natural perils, such as drought or excessive moisture. Coverage is available for fresh market sweet corn in Baldwin County.

Growers are encouraged to visit their crop insurance agent soon to learn specific details for the 2016 crop year. A list of crop insurance agents is available at all USDA Service Centers and online at the RMA [Agent Locator](#). Growers can use the RMA [Cost Estimator](#) to get a premium amount estimate of their insurance needs online. Learn more about crop insurance and the modern farm safety net at www.rma.usda.gov.
