## Crop Insurance Deadline Nears in Georgia

### Fresh Market Sweet Corn and Pepper Growers Need to Make Insurance Decisions Soon

VALDOSTA, Ga., June 27, 2019 - USDA's Risk Management Agency (RMA) reminds Georgia fresh market sweet corn and pepper growers that the final date to apply for crop insurance coverage is July 31. Current policyholders who wish to make changes to their existing coverage also have until the July 31 sales closing date to do so.

Federal crop insurance is critical to the farm safety net. It helps producers and owners manage revenue risks and strengthens the rural economy. Coverage is available for fresh market sweet corn in Colquitt, Decatur, Grady, Miller, Mitchell, Seminole, Tift, Toombs, and Worth counties. Coverage is also available for peppers in Brooks, Colquitt, Cook, Echols, Grady, Lowndes, Thomas, Tift, Ware, and Worth counties.

Growers are encouraged to visit their crop insurance agent soon to learn specific details for the 2020 crop year. A list of crop insurance agents is available at all USDA Service Centers and online at the RMA [Agent Locator](#). Growers can use the RMA [Cost Estimator](#) to get a premium amount estimate of their insurance needs online.
