Added a new optional field called “Verifiable Record Type Code” to capture what type of verifiable

records producer will have.

Exhibit P17 – LRP Premium

Updated Field 23 – Target Weight Quantity format from 7 numeric to 5 numeric.

Exhibit P28 – DRP Indemnity

Adding new field 24 - Disaster Declaration Flag

Exhibit P28 1 – Plan 83 Indemnity Calculation Exhibit

Minor cosmetic cleanup of the calc and adding information to section 5 (indemnity Calculation) to incorporate the new field on the P28 for the Disaster Declaration Flag.

Exhibit P14 1 – Commodities Allowing Multiple Insurance in Force P14 Records Exhibit

This exhibit has gone through an overall update to show Endorsements and Insurance Options in new columns that would result in multiple P14 records, avoid listing individual states when possible, add general rules for options and plans to bottom of exhibit, list commodities alphabetically, and add missing commodities/rules/plans/options that should be included.

Exhibit P15 1 – Yield Type Master Exhibit

Updated by adding Cranberries (0058) in the states of Oregon (41) and Washington (53) and Coffee (0256) as valid for yield type U per the 2023 CIH.
