Subject

2014 Crop Year Rainfall Index November - December Index Interval Final Grid
Indices for Apiculture and Pasture, Rangeland, Forage

Background

In accordance with Section 8 of the Rainfall and Vegetation Index Plan Common Policy Basic Provisions, final grid indices and payment calculation factors have been determined and approved for the following:

- 2014 Crop Year Rainfall Index November - December index interval for apiculture and pasture, rangeland, forage;
- 2015 Crop Year Rainfall Index November - December index interval for annual forage.

Action

By close of business today, final grid indices and payment calculation factors will be available in the Actuarial Data Master and Actuarial Information Browser at the following link: aibpf-rma.fpac.usda.gov/apps/ActuarialInformationBrowser/. In accordance with section 8(d), any payments owed shall be issued no later than 60 days from the date of this notice.
