Additional Emergency Relief Program (September 2022)

I recently received an ERP application but blocks 14 and 15 are missing the producer response box. What can I do to get my application submitted and processed?

USDA is aware of this issue. You have two options to ensure your application is processed.

1. You can have the producer record a hand-written response of “Yes” or “No” on the FSA-520 for items 14 and 15 on the mailed application or
2. Visit your local FSA office, and they can print an application for you to complete.
