In accordance with Section 9 of the STAX Cotton Crop Provisions Section, Section 10 of the ECO Endorsement, Section 10 of the SCO Endorsement, Section 14 of the MP Crop Provisions, and 15 of the ARPI Crop Provisions, approved final county yields, final county revenues, harvest revenues, harvest margins and payment factors for the 2024 crop year will be available by close of business June 13, 2025, in the following formats:

- [Actuarial Information Browser](#)
- [Actuarial Data Master](#)
- [RIRS Summary Listing](#)

In some situations, the production area used to establish the expected yield did not have any final reported yields. In these instances, the Risk Management Agency determined final county yields in accordance with the applicable policy. The attachment identifies the basis for the final county yield determination in the affected counties.
