Crop and Livestock Income Protection (CLIP) Changes Effective for the 2027 and Succeeding Crop Years

BACKGROUND:

The Federal Crop Insurance Corporation Board of Directors approved changes to the Crop and Livestock Income Protection (CLIP) crop insurance program, under section 508(h) of the Federal Crop Insurance Act, on August 20, 2026.

The following changes are applicable for the 2027 and succeeding crop years:

- Allow a 90 percent coverage level;
- Revisions to eligibility requirements and CLIP policy cancellation; and
- Additional details to clarify existing definitions and provisions throughout the policy.

ACTION:

The Crop and Livestock Income Protection Policy Provisions (27-CLIP) will be available by November 30, 2026, on the Risk Management Agency (RMA) website at www.rma.usda.gov.

Approved insurance providers must notify producers of these changes at least 30 days prior to the cancellation date, as required by the policy.

Interested producers should contact a crop insurance agent for further information. A list of agents can be found on the RMA website at www.rma.usda.gov/Tools-Reports/Agent-Locator.
